9. Statement of Project Goals and Objectives: Install guardrails on access road. Build retainer wall, improve boat launching ramp and staging area. Grave Creek boat launch is a high use area that is inadequate for the number of users. This facility does not meet BLM health and safety standards. BLM use figures indicate approximately 15,000 boats use this facility each year. The Rogue River provides multiple recreational experiences, this is the major launching point for visitors using the Wild Section. Tourist dollars are approximately \$4,500,00.00 each year.

10. Project Description: (Provide concise description of project and attach map.) The first stage of the project was completed in FY 2001. The second phase will install guardrails on access the road, build retainer wall and improve boat launching ramp and staging area.
